

November/December

Thank you! sale

As many of you know, Thanksgiving is my favorite holiday. I think it's wonderful to have a day that is devoted to being *thankful* for all the good things in our lives (and there are *many* good things, when we really look around!) I am so thankful for all of YOU listeners who have been supportive of my music these last few years. Have a wonderful Thanksgiving, and please remember to tell someone close to you how thankful you are to have them in your life!

With love,
Josephine
